Directions to our Chester Offices

Follow the M6 to junction 20 where you will join the M56 signposted for Chester and North Wales. Continue along the M56 to junction 15, turning left onto the M53 following the signs for Chester.

Leave the M53 at the first junction, junction 12, which is signposted for Chester and Chester Zoo. At the bottom of the slip road turn right heading for Chester. Go to the next roundabout and continue straight ahead onto the A56 Hoole Road, following the signs for Chester City Centre.

Carrying along Hoole Road right to the end, you will cross traffic lights and go over a railway bridge. Keep going straight ahead until you reach another roundabout, at which you will turn right. This brings you onto the dual carriageway, which is Chester ring road. Continuing up the hill passing the Northgate Arena, you will come to another large roundabout with traffic lights and a water fountain (if working) in the centre. Go straight across on the dual carriageway heading towards the Racecourse. You are on St Martins Way.

You will reach three sets of traffic lights in quick succession. At the third set of lights, with the Crowne Plaza Hotel on your left, St Martins Way becomes Nicholas Street and you are less than 100 yards from our offices, which are on the right-hand side of the road. You will need to be in the right-hand lane.

To reach our car park at the rear of the building, turn right at the traffic lights, following the signposts for the Racecourse and the Industrial Estate. Turn immediately left into Nicholas Street Mews.

The third entrance on your left is our car park. Please park and go to the rear door and press the intercom.

If you have any problems following these directions, please call **01244 403344** and someone will be happy to assist you.
